## BOARD OF EDUCATION

Elects Enumerators for the Four Districts—List of Graduates from the High and Lincoln Schools—Several Communications to the Board. The board of education held its regular monthly meeting last night, nearly all the members being present. The session was a lengthy one. School enumerators were elected and the usual monthly reports were received, and a list of the graduates at the high and Lincoln schools.

The report of Superintendent W. H. Anderson was received and adopted, as follows:

The report showed an enrollment of 604 in the German department, of which 254 were of German parentage. Bills were ordered paid as presented by the committees on accounts and public library. The purchase of electric fans for the public library was authorized.

The contract for putting in a concrete foundation to Centre school was awarded to J. J. Glandfield, for \$6,948. Other bids were: T. W. Jackson, \$9,600; L. G. Hallock, \$8,940.

The committee on buildings and grounds recommended improvements to the schools and the appropriations for same as follows:

Washington .....	\$ 925 00
Madison .....	850 00
Clay .....	875 84
Union .....	1,235 00
Centre .....	563 00
Webster .....	1,825 00
Ritchie .....	1,825 00
High School .....	235 00
Lincoln .....	155 00
Total .....	\$3,624 84

A suitable dwelling for the janitor of Union school was recommended, cost not to exceed \$200. The question of employing a superintendent of buildings was laid over until the next meeting.

The committee on teachers and schools recommended the employment of the following number of teachers for the ensuing year: Washington, 15; Madison, 19; Lincoln, 7; Clay, 17; Union, 14; Centre, 12; Webster, 18; Ritchie, 22; High School, 9; total, 134. The committee's recommendation of a two years' commercial course in the high school, under certain provisions, was referred back to the committee.

Pittman's system of stenography was recommended for the High School course.

A bill from the Fulton school board for the tuition of twenty-two pupils, residents of Wheeling for May, totaling \$33, was referred to the superintendent to ascertain if it was correct.

Clerk Hall read a communication from Attorney Frank C. Cox, notifying the board that Louis Bauman claimed \$100 damages on account of the refusal of Webster school to admit his son because he wasn't vaccinated. The case took this aspect in the recent hearing before Judge Paul. It will be remembered that the city health officer, Dr. Jepson, urged compulsory vaccination, but the judge held that it couldn't be compulsory unless there was smallpox in the city or probable contagion. The communication was laid on the table.

A communication relative to the Police system of reading was referred to the committee on text books.

Mr. Ford offered a resolution to the effect that no bills be paid by the board unless handed in before the 10th of each month, which was adopted.

Mr. Noble's resolution to employ an instructor in drawing was referred to a committee. The Washington district member also moved to enforce the compulsory school law, in line with the opinion submitted by Superintendent J. R. Trotter, who held that the law applied to the Wheeling school district. An attempt to table the resolution was defeated and it was referred to the committee on rules and regulations.

The election of school enumerators then occurred on motion of Mr. Milligan. It resulted as follows:

First district—Earl Maxwell was the only nominee.

Second district—T. H. Higgins, 13; Jesse C. Morris, 5.

Third district—Miss Emma McNash was the only nominee.

Fourth district—William Schaut was the only nominee.

Miss Wilson, public librarian, submitted the report of the library for May, which showed a total circulation of 5,153 books; daily circulation, 198; four thousand six hundred and forty-four of the total circulation were works of fiction.

Superintendent Anderson presented a list of the graduates of the High School, who are as follows: Ella Mae Bowers, Ella Mae Brown, Jeannette McKelvey, Burt, Catharine Elizabeth Doddridge, Margaret, Mae Dudley, Grace Elizabeth Fendt, Margaret Josephine Friery, Mary Antoinette Graham, Katharine Wilder Hannan, Ella Curtis Haynes, Isabella Harwood Jepson, Olga Elfrida Mayer, Bertha Williams McCoy, Adaline Charlotte Miller, Maude Murrin, Ella Mae Peddler, Jeannette Pickett, Ruth Curtis Rice, Grace Barbara Schwann, Stella Sanderman, Alma Spell, Flossie Stobbs, Mary Agnes Wayman, Annie Marie Weltzel, Lillian Minerva Wincher, Alfred Tippet, Graham, Walker Gwynn, Harry Merle Miller, George Carroll Rhodes and John Forrest Springer.

I WAS seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who, knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle relieved me very much, and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respectfully, Mrs. Mary A. Beard, Claremore, Ark.
